Dear Mrs. Cambourakis-Barboutsis

Thank you for the great hospitality and service you and your staff have shown us during our stay at Rodos Palace.

The facilities are impeccable and above average in compared with other hotels. I feel the brochures in our country do not do justice to the hotels reputation. It fails to inform consumers about year round tourism possibilities, the animation and the wonderful child facilities. The only thing that could use improvement are the changing and bathing facilities downstairs of the indoor pool area.

In short Rodos Palace is a complete resort catering to both business and family travel all year long.

I hope to visit again in the near future and once again enjoy the beautiful surroundings and friendly people of Rhodes.

Thank you again.

Sincerely,

Leonie M. Wennekers
